Major Roadworks in Woodford

We have just learnt that major roadworks are due to commence in Woodford from Monday 15th June 2015 for approximately eight weeks. This will involve laying new gas and water mains to the Redrow Site entrance opposite the Garden Centre. These works will stretch from near Jenny Lane and Bridle Road respectively to the Redrow Site.

It will involve lane closure and 2/3 way temporary traffic lights as the works progress.

We are informed by Aptus Utilities, the contractors, that excavation will be limited to 100 m maximum open trench at any one time and that access to properties and driveways will be maintained through the use of road plates at all times.
